DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 and 17-19 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or disclose the applicant's invention as claimed in detail wherein analyzing associated protocol layers in detail, permitting a user to enter the MAC address of known access points operating in said IEEE 802.11 b wireless communication channel; selectively activating a rogue access point detection routine; checking the address of newly detected access points against the addresses of said known access points; and marking for display as a rogue access point, any access point detected that is not included as a known access point.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
